Information on Hospital Tiering for AmeriHealth 65® NJ

As an AmeriHealth 65 NJ Preferred or Plus Plan member, you will have access to any doctor, specialist, or hospital in-network or out-of-network without a referral.

There are two tiers of cost-sharing, one for the lower-cost (Tier I) hospitals and another for higher-cost (Tier II) hospitals. As an AmeriHealth 65 NJ Preferred or Plus member, you will continue to have access to all hospitals in our provider network. By choosing one of the Tier I hospitals, you can significantly lower your out-of-pocket costs for inpatient hospital stays.

Please note that if you are admitted to a plan hospital due to an emergency, you are responsible for the applicable cost sharing level of that hospital.

See below for a listing of AmeriHealth 65 NJ Preferred and Plus Tier I hospitals.
