SUBJECT: BILLING UPDATES: CORRELATION TABLE AND REVENUE CODES THAT REQUIRE HCPCS CODES LIST

AmeriHealth is sending this bulletin to explain changes that will occur or have occurred to the *Correlation Edits for Outpatient Claims Table* and *Revenue Codes that Require HCPCS Codes List*. If you have questions concerning this bulletin, please contact your Network Coordinator.

As you may know, the National Uniform Billing Committee (NUBC) deleted eight revenue codes and added one revenue code. As a result, effective October 1, 2007, AmeriHealth will implement changes to the Correlation Table and Revenue Code List using the NUBC effective date. Please note this change will not impact any claims submitted or processed prior to AmeriHealth's October 1, 2007, implementation date. An updated Correlation Table and Revenue Code List is attached.
