Section 1 – Introduction

This directory provides a list of AmeriHealth Medicare PPO's vision and dental network providers. To get a complete description of your vision and dental coverage, please review your *Evidence of Coverage*.

The “network providers” listed in this directory have agreed to provide your vision and dental services. For in-network coverage you must go to a participating Davis Vision or Dominion Medicare Dental Network provider.

How should you use this directory?

You should use this directory to locate a vision or dental network provider in the AmeriHealth Medicare PPO network. You do not need a referral from a physician for specialty-care covered services.

How do you get care from an out-of-network provider as a member of AmeriHealth Medicare PPO?

AmeriHealth Medicare PPO will cover services from either in-network or out-of-network vision and dental providers, if the services are covered benefits and medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. You must submit a claim directly to AmeriHealth Medicare PPO for services provided by an out-of-network vision or dental provider.
