AmeriHealth 65[®] HMO Plan Dental Directory

This directory is a listing of plan dental providers for AmeriHealth 65 sorted alphabetically for each state, county, and city. The listing includes the dental provider's name, group practice, office location, phone number and provider number.

This directory is for Burlington, Camden, Cumberland, Gloucester, and Salem counties.

NOTE: If you are a member of an Employer Group or Union, our plan is available in the state of New Jersey.

How to use this Provider Directory

You should use this provider directory to select a primary dental provider. Before selecting your primary dental provider, check the provider's office status. 'Current patients only' means the provider's office is accepting only existing patients. When no status is listed, the provider is open to accepting both current and new patients. When you have selected your primary dental provider, include the provider's name, group practice and provider number on your enrollment form.

The directory lists network dental providers as of the date that it is published. A provider's listing in this directory does not guarantee that the provider is still in the network or accepting new members. For updated information regarding plan providers, please call AmeriHealth 65's Member Services at 1-800-645-3965 or TTY/TDD 1-888-857-4816, seven days a week, 8 a.m. to 8 p.m., or the Health Resource Center at 1-800-275-2583 or TTY/TDD 1-888-857-4816, Monday through Friday, 8 a.m. to 6 p.m.

The "plan providers" listed in this directory have agreed to provide you with your health care coverage. You may go to any of our plan providers listed in this directory; however, some services may require a referral. If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers. Some covered services require "prior authorization" by the plan in order to be covered. Some of the covered services listed in the Evidence of Coverage book are covered only if your doctor or other plan provider gets "prior authorization" (approval in advance) from our Plan. Covered services that need prior authorization (approval in advance) are marked in the Benefits Chart in your Evidence of Coverage booklet.
