

AMERIHEALTH PATIENT-CENTERED MEDICAL HOME PROVIDERS

This listing identifies which AmeriHealth providers have been recognized as Patient-Centered Medical Homes (PCMH) by the National Committee for Quality Assurance (NCQA). PCMH is a model of primary care delivery to improve access to and the coordination of care for members. A PCMH is intended to provide more personalized, coordinated, effective, and efficient care. This directory identifies the practices in the AmeriHealth network that are recognized by NCQA as a PCMH. You may visit the NCQA website at www.ncqa.org to learn more about these recognition programs. PCMH practices are identified as either Patient-Centered Medical Home 2008 or Patient-Centered Medical Home 2011 recognition.
