

## **Response to the Voluntary Withdrawal of Zelnorm™ by Novartis Pharmaceuticals**

On March 30<sup>th</sup> 2007 the Food and Drug Administration (FDA) announced the voluntary withdrawal of the drug Zelnorm™ from the market by the manufacturer Novartis Pharmaceuticals. FutureScripts Secure™, the pharmacy benefits administrator of AmeriHealth encourages people taking Zelnorm™ to contact their prescriber to discuss appropriate alternative treatments.

More information about this voluntary withdrawal can be obtained on the FDA website at [www.fda.gov](http://www.fda.gov) or by calling the FDA consumer inquiry line at 1-888-INFO-FDA (1-888-463-6332).
