

Access the Select Drug Program[®] formulary online

The Select Drug Program provides our members with comprehensive prescription drug coverage.

The Select Drug Program uses a formulary, which includes all generic drugs and a defined list of brand drugs that have been evaluated for their medical effectiveness, positive results, and value. The formulary is reviewed quarterly to ensure its continued effectiveness.

Manage your prescription drug program online

Members can access the following tools and resources online through amerihealthexpress.com:

- Check the formulary status of drugs.
- View a copy of the most recent formulary guide.
- Find formulary alternatives.
- Look up drugs by name or class.
- Locate a retail pharmacy.
- Compare costs of generic and brand drugs.
- Check drug-to-drug interactions.
- Access a drug dictionary.
- Reference frequently asked questions.

Simply log on to www.amerihealthexpress.com. It's that easy!

In addition to the Select Drug Program formulary, you will also find helpful information on these related topics:

- prior authorization process
- age and gender limits
- quantity level limits

You can also request that a copy of the Select Drug Program formulary guide be mailed to you by calling Customer Service at the telephone number on your ID card.
