

Save time and money

Connect with AmeriHealth Administrators!

Looking for a simple way to get the most from your AmeriHealth Administrators health plan? Connect with us by signing up for email or text alerts to get:

Personalized reminders about your health when it's time for an annual visit or screening

Notifications about important plan information like changes to the prescription drug formulary and where to go for care based on your health plan

Alerts on how to get the most out of your health plan, including available benefits you may not be using or how you can save money when you need health care

.....
**Stay up to date. Save money.
Maximize your benefits.**

Visit ahatpa.com/getconnected

Be sure to have your plan member ID card handy — you'll need your ID number from the front of the card.
.....

By voluntarily giving AmeriHealth Administrators and affiliates my mobile phone number and/or e-mail address, I authorize AmeriHealth Administrators, affiliates, and my employer to send me information about, but not limited to, health care products and services. My employer, affiliates, AmeriHealth Administrators may contact me via email, automated text and/or phone call. I can opt out at any time and acknowledge that I am not required to purchase goods or services from AmeriHealth Administrators and affiliates. Text STOP to stop and HELP for help. Message and data rates may apply.
