

Value Network | Quality Access for Less

Save money on health insurance in New Jersey

Looking to lower the cost of health insurance premiums? Look no further. Introducing AmeriHealth New Jersey's new Value Network. This unique network is a subset of our Preferred Network. It represents the best value for price-conscious groups and provides additional market options while lowering premiums. Members will have access to approximately 71% of our New Jersey-based Preferred Network providers without compromising the exceptional quality, access, and service that AmeriHealth New Jersey is known for.

Features and benefits

- High-quality network;
- Lower price point, makes health insurance more affordable;
- Helps customers better manage health care costs;
- Brings product offerings in line with the marketplace by offering competitive products;
- Comprised of New Jersey-based physicians, hospitals, and ancillary providers to serve New Jersey-based
- Employer groups.

Available products

The Value Network is available with HMO, HMO Plus, POS, POS Plus, HSA, and all coinsurance plans.

Finding a provider

Through amerihealthexpress.com, finding a Value Network provider is easy. Using the provider finder tool, Value Network members will select the corresponding drop-down to view providers and facilities in the network. Providers will be able to search NaviNet® and refer members to other Value Network providers and facilities.
