Vision plans for adults and families[1]

Routine eye exams help protect your sight and may also detect other health conditions, such as diabetes and high blood pressure. Vision plans can be purchased with or without a medical plan.

Learn more about our vision plans

Vision plans are available for you and your family. Children can be covered up to age 26. Here are the comprehensive benefits you can expect from AmeriHealth vision plans.

A network that goes the distance

You get access to the national Davis Vision® network, with 222,000 access points across the country, including Visionworks, Target Optical, Pearle Vision, Warby Parker, and LensCrafters.[2]

222,000 access points in the Davis Vision network

Fully covered routine annual eye exam

When you see an in-network provider, there is no copay.

$0 copay and low-cost options for frames and lenses

Choose from stylish designer frames in the Davis Vision Exclusive Collection. Or use your benefit allowance to choose frames or contact lenses from in-network independent providers and retailers nationwide.

Note: You get a higher frame allowance and discounts on lens options at hundreds of preferred sites nationwide.

Note: All medical plans include pediatric vision care for members younger than 19.

Fixed fee pricing on all cosmetic lens options

Your options include a wide variety of state-of-the-art lens types and lens styles.

Discounts on other services

Take advantage of discounts on other services, such as laser eye correction through the QualSight network of LASIK eye care professionals. You can also save on hearing exams and name-brand hearing aid technology from Your Hearing Network.

Stand-alone vision plans for adults ages 19 and older are available year-round, with or without enrollment in a medical plan.[3]
