

AmeriHealth rewards Frequently Asked Questions (FAQs)

How does the AmeriHealth rewards program work?

With the AmeriHealth rewards program, you can earn rewards for completing the health care activities available to you. For this year's program, it all starts with your annual wellness visit. You can earn **\$75** for completing this required activity. Then, you can earn up to **\$60** in rewards for completing various *Get Connected: Social and Lifestyle* activities. **By completing and reporting these activities, you can earn up to \$135 in gift cards!**

After you complete an activity, you must report the activity, redeem your reward dollars, and select a gift card. You can also wait until you have reported all activities, and then redeem all your rewards on one gift card. Report the activity and get your rewards at the Rewards page or call New Ocean Health Solutions at **1-844-303-6071** (TTY/TDD: **711**), Monday through Friday from 8 a.m. to 6 p.m. You must complete your activities by December 31, 2024. When redeeming rewards online, after you click *Get My Reward* and receive the confirmation email, there is no expiration date for selecting your gift card. All rewards must be reported and redeemed before the end of the AmeriHealth rewards program on January 10, 2025.

You can select your gift card(s) at our virtual gift card mall hosted by Tango Card, Inc., a subcontractor of New Ocean Health Solutions. The virtual gift card mall is where you can shop for gift cards from participating retailers using your rewards dollars. You can choose an e-gift card or a physical gift card delivery. **You have until January 10, 2025, to select your physical and/or e-gift card(s).**

How do I report a completed health care activity?

To report an activity, click on the activity from the list on the *Rewards* page and enter the required information to report the activity as complete. For example, you may be asked to enter the service date and the location or name of the provider. If you prefer to do this over the phone, you can call New Ocean Health Solutions at **1-844-303-6071** (TTY/TDD: **711**), Monday through Friday from 8 a.m. to 6 p.m.

How do I know how much I can continue earning?

In the center of the page, members will see the section *Available to earn*. It will show the dollar value of remaining health care activities you can report. *Earned* refers to the dollar value of the health care activities you have reported but have not redeemed. *Pending* is the dollar value of the health care activities you reported but cannot redeem until you report the required *Annual Wellness Visit* activity. *Redeemed* is the dollar value of the reward you redeemed. You must click *Get My Reward* to get your earned rewards and choose your gift card(s). All rewards must be reported and redeemed before the end of the AmeriHealth rewards program on January 10, 2025.

How do I get my reward/gift card after I report an activity?

After you report your required health care activity, you are eligible to get your reward(s). On the center of the *Rewards* page, click on the *Get My Reward* button within the *Earnings* section. That button will open a pop-up that will display the total amount of earned reward dollars to spend towards your gift card(s). After you click *Submit*, you will see a *Success!* pop-up window. An automatic message will be sent to your email address with a confirmation of your reward. Next, click the *See my rewards* button.

That will bring you to the virtual gift card mall, a separate website where you can choose your gift card(s). You can choose more than one gift card totaling the amount of your earned reward dollars. When you click the *Checkout* button, you can choose to enter information for an e-gift card or a physical gift card delivery. There is also a link to the gift card mall in the automatic confirmation email you received when you click *Get My Reward*. If you prefer to choose your gift card(s) over the phone, you can call New Ocean Health Solutions at **1-844-303-6071** (TTY/TDD: **711**), Monday through Friday from 8 a.m. to 6 p.m.
