

Take control of your health care appointments

This Appointment Tracker sheet can help you stay on top of your health care to-do list. At your appointments, ask your provider about any patient portals they will use to share results from blood tests, other labs, X-rays, and more. And make sure you share your list of appointments with your primary care provider so they know what other care you are receiving.

DOCTOR'S NAME	DATE & TIME	COMPLETE	NOTES
		<input type="checkbox"/>	
		<input type="checkbox"/>	
		<input type="checkbox"/>	
		<input type="checkbox"/>	
		<input type="checkbox"/>	
		<input type="checkbox"/>
