AmeriHealth has contracted with InComm Healthcare & Affinity, Inc., an independent company, to manage the AmeriHealth Care Card program for AmeriHealth members. When using the AmeriHealth Care Card, if the member exceeds the OTC benefit/rewards amount, alternative payment will be required for the remaining balance due. Members should ask the retailers if they accept split payment methods prior to receiving services. Dual-purpose items are medicines and products that can be used for either a medical condition or for general health and well-being. In order to purchase these items, a personal physician must recommend them for a specific diagnosed condition. Please speak to a physician before ordering these items. Items include, but are not limited to, vitamins and minerals, home monitoring and testing, and weight loss items. Members should retain the AmeriHealth Care Card through the expiration date. InComm, at its discretion, may substitute retailers and products. Terms and conditions may apply for the AmeriHealth Care Card. To learn more, visit [mybenefitscenter.com](http://mybenefitscenter.com). Products not covered under rewards include, but are not limited to, stamps, lottery, alcohol, firearms, and tobacco. The AmeriHealth rewards are available only to eligible Medicare Advantage beneficiaries who complete a health care activity. Rewards may not be redeemed for cash (unless required by law).

CVS is an independent company. **CVS does not accommodate split payment methods online.**

AmeriHealth offers HMO Medicare Advantage plans with a Medicare contract. Enrollment in AmeriHealth HMO Medicare Advantage plans depends on contract renewal.

Benefits underwritten by AmeriHealth HMO, Inc.
